LAYMEN AT BANQUET

HOPKINS M. E. CHURCH LADIES
FEASTED THE MEN FOLKS.

DR. FORD THE "BIG GUN"

Graphic Description Given by Our
Correspondent of the Great Time
They Enjoyed.

A men's banquet, given under the auspices of the laymen of the Methodist church, was held in the basement of the church, Thursday evening.

Never in the history of Hopkins has an affair of such magnitude been undertaken, and the Methodist people are to be heartily congratulated on the brilliant success achieved.

Promptly at 7 o'clock the men who held tickets for the banquet began assembling in the church parlors, and at 7:30 o'clock ninety men standing around the tables in the two rooms of the basement of the church sang "America," after which the invocation was pronounced in an impressive manner by the Rev. E. Edwards of Hopkins.

The ladies of the church now proceeded to serve a banquet which for elegance and delicacy has never been equaled in Hopkins. The long tables, glistening with cut glass and silver, decorated with pink and white carnations and ferns were indeed beautiful.

The following menu was served by young ladies of the church, dressed in white, and from the remarks made by the gentlemen, must have been highly appreciated:

Waldorf Salad	Wafers
Chicken Patties	Escalloped Oysters
Ham	Mashed Potatoes
Peas, Butter Beans	

Bread and Butter	Pickled Olives
Ice Cream	Cake
Coffee	Milk

The entire planning and serving of the banquet was in charge of the Ladies' Aid Society of the church, and was very ably carried out by Mrs. H. B. Griffith, chairman of the general arrangements committee, and her efficient assistants.

At the close of the banquet, Dr. Ed. Miller, in a few well chosen words, welcomed the guests in the name of the laymen of the church.

C. E. Donlin, as mayor of Hopkins, heartily welcomed the out of town guests, assuring them that owing to their calling he had not considered it necessary to "lock the marshal in the jail and throw the key in the well."

Mayor Donlin was followed by the Owens-Wolfers quartette, giving two selections—"Never Mind the Kicker," and "Get a Transfer." This quartette is composed of Fred and Maurice Wolfers and Edgar and Edward Owens, and their music was very much appreciated.

Doctor Miller then introduced the Rev. Willis, pastor of the M. E. church of Bedford, Iowa, who gave a short talk on "The Fellowship of Men," interspersed with humorous anecdotes, compliments to the ladies and words of wisdom and good fellowship to everyone present. Rev. Willis is a delightful speaker and his hearers were loath to let him go, although they knew the "Big Gun" as Rev. Willis expressed it, was yet to come.

Merrill Otis followed in a short address, given in his inimitable way, keeping the company roaring with laughter one minute, and listening spell-bound the next to his wonderful voice and the beauty of his thought and expression.

The Rev. Tinkham of the Presbyterian church of Hopkins, with a few graceful words, gave way, owing to the lateness of the hour to the speaker of the evening, Dr. Ford of Maryville, who was now introduced by Dr. Miller.

Dr. Ford took for his subject, "Man in the Church," and his discourse was considered by those who were privileged to hear it, one of the most stirring and convincing arguments ever given.

Dr. Ford is a man of strong personality and has a delightful way of making on feel that he is talking directly to them. He carried a humorous strain through the first part of his talk that greatly delighted his hearers, but this was soon dropped and sound reasoning and strong common sense was presented in such a form that as one man said, "made it well worth listening to."

Dr. Christy of Maryville closed the evening's exercises with a very practical talk on "Financing the Church," which was full of good business ideas, showing that Dr. Christy is a man well fitted for the position he holds.

The evening closed with a solo by O. H. Saylor, assisted in the chorus by the quartette. Mrs. Mason had charge of the music of the evening, and showed her usual ability in this line of work.

Too much cannot be said in regard to this bringing of men together, for the purpose of Christian fellowship. We hope now the ice has been broken, many more of these social affairs will be given. The out of town guests for the evening were Dr. Ford and Dr. Christy of Maryville, Rev. Royston and Roland Wray of Pickering, Rev. Willis, Dr. Dunning, Frank Dunning and Ralph Willis of Bedford.

DON'T BE BALD.

Nearly Anyone May Secure a Splendid Growth of Hair.

We have a remedy that has a record of growing hair and curing baldness in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store. The Great-Henry Drug Co.

TOUCH OF HUMOR IN CAMORRIST TRIAL

Devera Flattered by Charge and
Wishes it Were True.

Viterbo, Italy, April 21.—Perez Devera, accused of being the head of the Camorra in Porto Capuana, a district of Naples, contributed to the entertainment of the audience in the court of the assizes with a humorous touch that came as a relief after the agonizing exhibitions of those who had preceded him on the stand.

The prisoner admitted frankly he was flattered that the august court, the learned prosecutor and the honorable carabinieri imagined him to be a personage of such distinction. The truth, however, compelled him to confess that he was the most ordinary sort of a creature. He spoke in mock gravity, winding up his speech thus: "I deny every allegation made against me. I know nothing of the murder of Gennaro Cuocolo and the beautiful Sorrentina. It is said that I was the head of the Camorra of Porto Capuana. Alas, no, I wish that I had been, but, honestly, I never was the head of anything."

The state does not accept Devera as his own estimate. It is alleged that he is a dangerous man and so high in the councils of the Camorra that he was one of those who condemned Cuocolo to death.

De Lucia, another of those said to have sat in judgment on the treachery of Cuocolo, said he was not connected with the Camorra.

Speyer and Miller Elected Directors.

New York, April 21.—The gap left in the Missouri Pacific directorate by the resignation of Kuhn, Loeb & Co.'s representatives, when George Gould forced the election of B. F. Bush as president of the road, was filled with the selection of James Speyer of the banking firm of Speyer & Co., and H. I. Miller, receiver of the Buffalo and Susquehanna railway.

Dives From Engine; Saves Lad.

Boston, April 21.—Frank A. Kennedy, an engineer on the Boston, Revere Beach and Lynn railroad, dived from the cab of his engine into the water at East Boston and saved the life of Joseph Magrath, aged seven, who had been hurled from the bridge at the foot of Havre street by the train.

Croup Remedy Fatal to Babe. Deshler, Neb., April 21.—Elliot, the two-year-old son of Cyrus Hunt, died from drinking vapo cresoline. He secured a bottle kept as a croup remedy. The doctor was called, but could do nothing.

GRAY HAIR TALKS

HAIR INDEX OF AGE. DON'T LOOK OLD.

How often one hears the expression, "She is gray and is beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young.

The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age jeopardize their future simply by allowing the gray hairs to become manifest. There is no necessity for this. If your hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Remedy, the preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, inexpensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair.

It is a pleasant dressing for the hair, and after using it a few days itching and dryness of the scalp entirely disappear.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Kash Pharmacy.

DON'T EXPERIMENT.

You Will Make No Mistake if You Follow This Maryville Citizen's Advice.

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Maryville. Follow the advice of a Maryville citizen and be cured yourself.

Mrs. A. Weidman, East Thompson street, Maryville, Mo., says: "I had terrible pains in my kidneys and was also bothered by the kidney secretions. The contraction of a cold or a change in the weather was sure to increase my suffering. I used every remedy that I thought would help me, but met with indifferent success. I had about despaired of ever finding relief, when I heard of Doan's Kidney Pills. I procured a box at Charles A. Love's drug store and found them to be especially adapted to my case. I was soon free from all aches and pains and my kidneys were restored to a normal condition. I have enjoyed excellent health since then and I know that my cure is a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Free Dyspepsia Sample

Sufferers from indigestion are waking up to the fact that peppermint lozenges, charcoal and "dyspepsia cures" are only makeshifts in the cure of so troublesome a complaint as chronic indigestion. What is required is something that will not only relieve but which will tone and train the digestive apparatus to again do its work normally, and this these simple remedies cannot do.

There is something more to the cure of indigestion than sweetening the breath, and yet a remedy that only cures symptoms, as the basis of indigestion is poor blood circulation, and that requires a scientific laxative. We know of no remedy that combines these requirements better than Dr. Caldwell's Syrup Pepsin, which has been sold for a quarter of a century.

Dr. Caldwell's Syrup Pepsin is a laxative tonic, a scientific blending of natural ingredients for the cure of constipation, indigestion, liver trouble, sour stomach, sick headache and similar complaints. Its ingredients will so strengthen and tone the stomach and bowel muscles that they will again do their work naturally, and when that has been accomplished your trouble is over. Fannie Stuart, Staunton, Va., was a long-time sufferer, as was O. Tuck, Blackburg, Mo., and they both found a cure with this remedy. They became convinced that pills and tablets, salts, "dyspepsia cures," etc., were at best only temporary relief. They first accepted Dr. Caldwell's offer of a free sample bottle, which he willingly sends to anyone who forwards name and address. Later, having convinced themselves through the free sample, they bought Syrup Pepsin of their druggist at fifty cents and one dollar a bottle.

Dr. Caldwell personally will be pleased to give you any advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address in a letter by mail or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

MADERO REFUSES TO GRANT DELAY

Says He Will Talk Armistice After Battle of Juarez.

READY TO BEGIN THE FIGHT.

Insurrecto Leader Says He Will Win or Be Whipped Before Further Negotiations—Noncombatants Warned to Leave Juarez at Once.

El Paso, Tex., April 21.—Francisco I. Madero refused absolutely to grant an armistice, as suggested by Dr. Gomez at Washington. He sent in word that he would talk armistice after the battle of Juarez, and then only.

"They want an armistice to get up reinforcements; that is all," he said. "We will first fight; my army will win or be whipped at Juarez before we talk armistice."

Unless the federals make an attack on the rebel army, Madero says there will be no assault on Juarez until after 3 o'clock this afternoon. If by that time he has not received assurances from Porfirio Diaz that he will retire from the presidency, Madero declares that the Juarez fight will take place at once.

Madero sent off notice to consuls at Juarez that he might attack the town any hour today.

Madero Inspects Fortifications.

Madero rode from his camp close up to the outskirts of Juarez and examined the city's fortifications closely with field glasses. Later he rode down to the river, where his men had been gathering in scattered squads with General Pascual Orozco.

Madero has two field pieces, which his men had constructed in the railroad shops at Madera, and these are being placed in position to shell the town.

Madero was not compelled to give official notice to foreign consuls of his intention to attack, as he has not been recognized as a belligerent, but he insisted that it was proper to do so to avoid loss of life and he is holding his men in check until the time specified.

The insurrectos are said to have received fresh supplies of food and ammunition during the night.

All the insurrectos are said to have from 150 to 180 rounds of ammunition and all appear eager for the battle.

American Consul L. B. Edwards issued his warning to foreigners. After announcing that he has been notified of the time of attack, Edwards' notice reads:

"Therefore, I repeat my former warning to all foreigners and noncombatants to seek a place of safety and remain away from this city until order shall have been restored."

STONE RESOLUTION SHELVED

Missourian Taken Sharply to Task for Expressing Views.

Washington, April 21.—Congress is in no temper to meddle in the internal affairs of Mexico, and in the senate a majority of both sides of the chamber will endeavor to prevent open discussion of the travails through which the republic south of the Rio Grande is passing.

This was made clear at the conclusion of a speech on the Mexican situation by Senator Stone (Mo.), who advocated empowering the president to use the army and navy in any way he might see fit to protect American lives and property. The resolution was referred to the foreign relations committee, which is not likely to act upon it soon.

Senators Cullom, Bacon, Root and Lodge, all members of the committee, immediately deplored public discussion of our sister republic's troubles and several took the Missourian sharply to task for the tenor of his remarks, suggesting that such discussion should occur only in legislative session.

Senator Bacon said he wanted it understood that the views of Stone are not universally shared in the senate. He said that to give the "power to use the army as he may see fit" is in itself a declaration of war and the time for such an extreme course had not arrived.

MEXICO'S REPLY IS EVASIVE

Seeks to Throw Blame for Trouble at Douglas on Americans.

Washington, April 21.—The receipt here of the outline of the reply the Mexican government has made to President Taft's strong remonstrance against the conduct of warfare on the border somewhat depressed the hopes of the officials, who had confidently expected a complete responsive reply from Mexico.

Withholding official statements until the full text of the De la Barra note is at hand, the president, in full knowledge of the fact that it is recriminatory in some points, is disposed to deal with it leniently. The president's rejoinder must be based on further official reports from the American military officers, whose impartiality in the fighting at Agua Prieta has been impeached.

It is feared that a disposition prevails in Mexico to make political capital out of the activity of the Americans, and this will promptly be resented if it appears as calculated to impair the good relations of the two countries.

MORE OF ALLEGED LORIMER JACKPOT

Witness Heard C. F. Wiehe Say
He Paid \$10,000.

A. J. HOPKINS ON THE STAND

Former Senator Tells of Offer of Twenty-Five Hundred Dollars Made to State Senator McCormick to Vote for Lorimer.

Springfield, Ill., April 21.—William Burgess, a contractor from Duluth, Minn., testifying at the hearing of the state senate bribery investigating committee, told of a railroad journey on the Winnepig flyer between Duluth and Virginia, Minn., in March, 1911.

Burgess said that a man named Johnson, of a trade publication; Randolph Johns and Carl Weyerhaeuser, C. F. Wiehe of Virginia, a brother-in-law of Edward Hines, and another man were in the smoking compartment of a sleeping car.

Burgess said that the subject of William Lorimer's election came up in the course of conversation.

Burgess testified that Wiehe said Lorimer never spent a cent, but that a jackpot was raised by Lorimer's friends to effect the election.

"I know what I am talking about," Wiehe is quoted by Burgess as saying, "because I put up \$10,000 for that jackpot."

Former United States Senator Albert J. Hopkins, who then testified, related the incidents which surrounded his nomination as the caucus nominee of the Republican party for federal senator early in the year 1909.

Mr. Hopkins stated that Lorimer's candidacy was not made known to him until the day before Lorimer's election.

Questioned regarding reports that money had been used to elect Mr. Lorimer, Mr. Hopkins said:

"Senator McCormick of Madison county told my private secretary, John M. Peppers, that he had been offered \$2,500 to vote for Lorimer."

"There may have been other incidents of a like character," testified the witness, "but I have forgotten. My mind was recalled to one by the testimony of Senator Landee before this committee. The testimony of Senator Landee recalls what I said to him a few days before Lorimer's election."

"What was that?" asked Attorney Healy.

"I told Senator Landee that I was a candidate for the senate, and not the penitentiary, and that I was not out looking for democratic votes," replied Mr. Hopkins.

A shortage of \$10,257 was found in the accounts of Burns several days ago.

HOUSE HITS ROCK OF RECIPROCITY

Both Democrats and Republicans
Score Their Fellows.

TWENTY-FOUR SPEECHES MADE

Majority of Speakers Advocate Defeat of Measure—Representative Prouty of Iowa, in His Maiden Speech, Opposes Reciprocity Bill.

Washington, April 21.—State and party affiliations were broken repeatedly in the house in the concluding hours of the fight on the Canadian reciprocity bill. Democrats denounced the fellow Democrats for supporting a Republican protective principle, and Republicans hurled criticism against their fellow Republicans for marching with the Democrats toward the free trade goal.

During the seven hours of debate twenty-four men spoke on the reciprocity measure. Two-thirds of them made pleas for its defeat in speeches of from one minute to a half hour in length. In this number were two Democrats from North Carolina and Republicans from many of the northern states.

Most of the criticisms of the bill were from agricultural sections and based on the belief that reciprocity with Canada under the agreement would injure the agricultural interests of the United States.

Differences in the North Carolina delegation, all Democrats, were vigorously aired on the floor. Representative Webb said that Claude Kitchin, who opened the reciprocity fight last Friday, had no right to criticize him or other members of the state delegation who proposed to vote against the reciprocity treaty. Kitchin had accused him of standing with the Republican standpat leaders, but he said he could with equal justice accuse Kitchin of having worked with these same Republican leaders in the past.

Temperate words from the presiding officer, Sherley (Ky.), brought from Webb the statement that he had no personal feeling against Kitchin, but that four members of the state delegation proposed to vote against the agreement because they believed it was opposed to Democratic ideas.

The Minnesota delegation also broke on the rocks of reciprocity.

Prouty Makes Maiden Speech.

Offering an amendment to reciprocity bill which provides for placing on the free list manufactured articles to compensate the agricultural interests of the country, Representative Prouty (Ia.) made his maiden speech in the house in opposition to the proposed agreement as submitted by the ways and means committee.

"This treaty," said Prouty, "compels the farmer to sell his products in competition with Canada, but compels him to buy in a protected market. That is unfair to the farmer. Representing, as I do, a farmer constituency, I should rather like to see it tried on somebody else first. Must all these experiments be tried on the farmer? I think it is time to try them on somebody else."

Prouty said there were some things in the proposed farmer free list bill offered by the Democrats for which he could vote, but there were some things in it which he must oppose.

"This bill," he continued, "which they have designated as the 'farmers' free list bill,' puts on the free list beef, veal, mutton, lamb, pork and all kinds of meat. This would throw the American farmer into direct competition not merely with Canada, but with Mexico, Argentina and other countries south of us, where everyone knows animals are raised for less than half of the cost in the United States."

Prouty's amendment would include flour, packing products and many other manufactured articles.

SHOOTS GIRL-WIFE AND SELF

Tragedy Enacted by Aged Farmer Near Muscatine, Ia.

Muscatine, Ia., April 21.—Peter Hahn, aged sixty, farmer, shot and seriously wounded his girl wife, aged twenty-one, and then fatally wounded himself at their home, three miles from here, on the river road.

The shooting is the tragic culmination of a romance, in which old age and youth played the leading roles. Hahn lies dying in Bellevue hospital here, while Mrs. Hahn lies in a serious condition in the same institution. She is expected to recover.

The attempted murder and suicide comes at the end of eight years of married life, for Hahn married the girl when she was only thirteen years of age. They have never agreed, she having the tastes of a young girl and he those of an old man.

Though they have two children, both of whom witnessed the shooting, their home has been the scene of trouble day in and day out. Mrs. Hahn says her husband has always abused her. As she grew older she has resented his treatment more and more and considered herself little better than a slave.

During the past two years he ran away a number of times.
